Present

CHATBOT DEVELOPER

Betcris > San Jose, Costa Rica - Remote

- Customise and built virtual assistants from scratch for Casino, Wagering and Arena departments for the company focused on their needs using LivePerson conversational AI Platform (SaaS).
- Analyse and identify user needs and propose robust chatbot design features to meet required business needs, creating a better overall user experience.
- Completed a total of 10 Chatbot projects using JSON, increasing website visits and minimizing player contact with agents.
- Continuously monitoring chatbot performance with other 2 team members to prevent malfunction and consequently define strategies for enhancements.
- Integrate chatbot solutions with multiple communication platforms.
- Research on intent detection and name entity recognition approaches for chatbots.

2021
2021

CUSTOMER SERVICE AGENT

Betcris > San Jose, Costa Rica

- Maintained transparent lines of communication for customers about KYC, payments, withdrawals among other concerns.
- Quickly assessed customer needs and proactively provided business solutions to those needs.
- Maintained customer retention rate 40% above the company average.
- Drove business through providing excellent customer service and product and service knowledge, as well as superior customer relationship building skills.
- Analysed and reviewed customer service reports to identify potential areas of improvement.
- Strived for diplomatic conflict resolution in case of customer complaints or concerns relating to products and services.
